# Paper bags<sub>CAN</sub>

We are a company that specializes in the manufacture of paper packaging products for various sectors, including the food retail and industry.

Our recyclable and compostable paper packaging solutions will make it easier for you to meet your goals for environmental responsibility and sustainable development. Beyond our green products, our commitment to the environment and to carbon neutrality is an integral part of our day-to-day actions and practices at Groupe Frontenac.

# Printing options

Our inks, additives, and flexographic printing process are made from natural pigments, corn starch particles, biodegradable ingredients, and water. They are therefore the best environmental food packaging solution, being recyclable, compostable, and biodegradable.
